

RESOLUTION NO. 21-01

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF RIDGWAY,
COLORADO, SUPPORTING THE 30X30 CAMPAIGN TO PROTECT 30
PERCENT OF LAND AND OCEAN BY 2030**

WHEREAS, the 30x30 campaign is a worldwide, science-based initiative to conserve at least 30 percent of the Earth's lands and ocean by the year 2030; and

WHEREAS, this campaign was launched to address our climate crisis and reverse the destruction of our wildlife, waters and natural places; and

WHEREAS, science-based research has found that conserving and restoring lands and waters is necessary to preserving the Earth's biodiversity and ecosystems and mitigating the impacts of climate change; and

WHEREAS, biodiversity loss and human encroachment upon wildlife habitat is increasing the risk of infectious diseases such as COVID-19, Lyme disease and SARS; and

WHEREAS, our natural places provide us with food supplies and clean drinking water, boost our economies, and offer us a wide range of health benefits; and

WHEREAS, wilderness, wildlife refuges, national conservation lands, monuments and other conserved places provide access for hunting, fishing, hiking, biking, camping and other outdoor recreation pursuits; and

WHEREAS, permanently conserved private lands, including working ranches and farms, protect open spaces, preserve threatened wildlife and help maintain our Colorado way of life; and

WHEREAS, every person, regardless of race, background or economic status, should have access to safe, clean and close-to-home opportunities to get outside in nature; and

WHEREAS, scientists are warning that protecting at least 30 percent of lands and water is the bare minimum we must achieve if we hope to stabilize the climate.
